PETITIONING THE COURT

To **issue a WARRANT** and incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 01/02/2025.

On October 11, 2024, an officer with the U.S. Probation Office in Spokane, Washington, reviewed a copy of the conditions of supervision with Mr. Brand, as outlined in the judgment and sentence. He signed a copy acknowledging the requirements.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

5	<u>Special Condition #1:</u> You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.
---	--

Supporting Evidence: On or about January 21, 2025, William Brand allegedly violated special condition number 1 by consuming methamphetamine and marijuana.

On January 23, 2025, the offender finally reported to the U.S. Probation Office (USPO), at which time he was subject to random urinalysis testing. Mr. Brand subsequently provided a urine sample that tested presumptive positive for methamphetamine and marijuana.

The individual under supervision admitted to the use of methamphetamine and marijuana on or about January 21, 2025, and he signed an admission of use form confirming that admission. According to the offender, he ran into an acquaintance at the bus depot who offered him marijuana; the two then went under a bridge and consumed methamphetamine and marijuana.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court, and that the Court **issue a WARRANT**.

I declare under penalty of perjury that the foregoing is true and correct.
